Please follow these rules:

If you are unable to serve at you scheduled Mass and time, it is your responsibility to secure a replacement and not leave the celebrant stranded.

When you secure a replacement for yourself from the list, please have your replacement inform the celebrant upon arrival. If you can not readily secure a replacement call Don Benczkowski at 899-1820.

For all regularly scheduled Masses and Holy Day Masses, please let the celebrant know you are there to avoid any confusion.
