Child Protection and Creating Safe Environments

Know the Warning Signs of a Predator:

Perpetrators are not waiting on the street to snatch kids; only 10% of sexually abused children are abused by strangers. 90% are abused by someone known and trusted by the child/child's family. Perpetrators integrate themselves into everyone's life, not just the child. They build relationships so that they are trusted to be alone with the child. One of the most important ways to ensure the safety of children in our environments is to know the warning signs of adults who present a risk of harm to children. Among these signs are when the person (1) always wants to be alone with a child in areas where no one can monitor the interactions, (2) allows a child to do things their parents would not permit, (3) is always more excited to be with children than with adults, and (4) discourages others from participating in activities involving kids. Visit www.eriercd.org/childprotection/ for more information and resources.

Gathering: **Come to Their Aid**

Come to their aid, O saints of God;
Come meet them, angels of the Lord.
Receive their souls, O holy ones;
Present them now to God, Most High.

May Christ, who called them, take them home,
And angels lead them to Abraham.
Receive their souls, O holy ones;
Present them now to God, Most High.

Give them eternal rest, O Lord.
May light unending shine on them.
Receive their souls, O holy ones;
Present them now to God, Most High.

I know that my Redeemer lives;
The last day I shall rise again.
Receive their souls, O holy ones;
Present them now to God, Most High.

Offertory: **Saints and Beloved of God**

Communion: **I Am the Bread of Life**

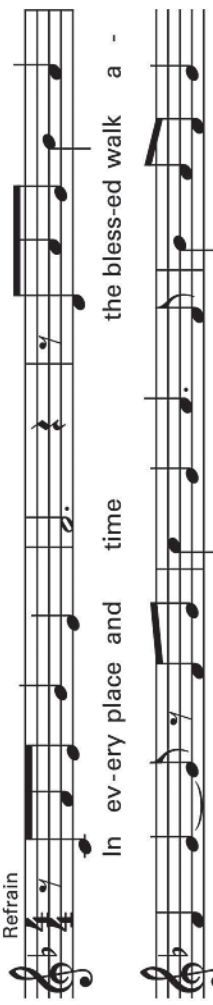

“And I will raise you up, and I will raise you up,
and I will raise you up on the last day.”
