

Where would we be without music?

Music is inspiring, it speaks to us in a way that words sometimes cannot. It aids us in prayer, it fuels our spirituality, and it brings us peace. Music is said to be the speech of angels. Music unites us. Music is a gift that is to be shared.

We are blessed to have a talented, dedicated group of singers and musicians here at Our Lady of Mercy who share their gift of music with us every week throughout the year. Our choir, ensembles, children's choir, cantors, and instrumentalists all bring something different each week, but all have one common goal: to lead and inspire the community to full participation in the celebration of the Liturgy through music.

Join us! Come and sing in any of the groups of OLM's Music Ministry...
