At the heart of all existence, at the heart of each human story, is the Mystery of the Holy Trinity. The Trinity, a community of Divine Love so intimate that there is only one God, a Divine Love so expansive, it draws us into the Divine embrace. In this 3 day parish mission, Fr. Michael DeMartinis will invite participants to a renewed and deepened awareness and experience of the enfolding and empowering love of the Trinity.

Monday: Good, Good God

God loves us with a relentless love. During this first night of the mission, Fr. DeMartinis will help us to look at God in new ways.

Tuesday: A Savior's Job Is To Save

We call Jesus "Savior", but do we understand what we are saying? On the second night of the mission, Fr. DeMartinis will invite us to a fuller appreciation of Jesus, our Savior, and to discover what makes Christianity unique among world religions.

Wednesday: Abundant Life Now

The Holy Spirit, the Font of Life, dwells in us through our Baptism. Because of this gift, the eternal life we long for is already unfolding with in us. On the final night of the mission, Fr. DeMartinis will encourage us to rejoice for we already know the end of the story and we win!
