

SCRIP PROGRAM

MINISTRY DESCRIPTION/OVERVIEW:

The SCRIP Program is used as a general fundraiser for Our Lady of Mercy Parish. Local and national retailers provide gift cards to us at a discount, we sell them to parishioners at face value, and the difference is revenue to the parish. This is a perfect opportunity to take part in a ministry if you have limited time to offer. Just fifteen or twenty minutes after Mass, selling cards and taking orders for the following week, provides a great service and makes SCRIP a huge success.

ACTIVITIES OF MINISTRY:

- Sell gift cards after each weekend mass
- Take orders for special requests
- Coordinator places orders each week and makes bank deposits

EXPECTATIONS OF MINISTRY

- SCRIP volunteers donate up to 15 minutes of their time following Mass to sell the cards. Optional: more time may be spent by those working after the 11:30 Mass if they decide to count money and tally the cards sold.
- The SCRIP Coordinator spends 1-2 hours per week tallying, ordering and making deposits .

Witness Statement 1:

This is a great way to help out our church by using the gift cards to purchase groceries and other items. I just use the gift card!
-Peggy J

Witness Statement 2:

What a great way to pick up gifts for birthdays and Christmas. It also helps out the parish.

Witness Statement 3:

I buy gas every week. I buy a citgo gift card and I get 10 cents off each gallon and give the parish \$5.00 without spending any extra money.
